★ **The Story of
The Union Landing
Historical Society, Inc.** ★

In 1973, a group of citizens interested in preserving and studying the history of Brielle and its environs met to form what was to become The Union Landing Historical Society. September 1973 marked the first formal meeting of The Union Landing Historical Society at the Curtis House, located on Union Lane at Brielle Park. Since then the society has grown and includes members from New Jersey and all over the United States with a common interest in learning about and researching the history of the Borough of Brielle. The society's efforts have extended to a thorough restoration and documentation of the Osborn Family Burial Ground on Holly Hill Drive, the establishment of the 9-11 Memorial Garden on Riverview Drive and the placement of markers at various historical sites in Brielle.

The society sponsors field trips to sites of local historical interest, school programs and library displays. An annual Antiques Roadshow features professional appraisers who evaluate and price items of interest brought in by the public. The society awards an annual scholarship to a graduating Brielle high school senior for academic excellence in history. Other annual events include the society's Old Fashioned Sarsaparilla Sale at Brielle Day and the October Harvest Home Dinner.

The Union Landing Historical Society meets throughout the year at the Curtis House, 644 Union Lane, Brielle. Renew your membership or become a member to help in preserving our rich local history and treasured historical sites!
